1. Make cheat's buttermilk

Preheat the oven to 220C. Line 2 oven trays with baking paper. Put the **yoghurt**, **1½ tbs milk** and **2 tsp white vinegar** in a shallow bowl and stir to combine.

2. Bake fries

Peel the **potatoes** and cut into matchsticks (see Kitchen hack). Put the potato on the lined trays, drizzle with **1 tbs olive oil**, scatter over **2 tsp barbecue seasoning**, season with **salt and pepper** and toss to coat. Bake, swapping the trays and turning the fries halfway, for 30 mins or until golden.

3. Crumb chicken

Meanwhile, put the **cornflour** in a shallow bowl. Combine the **breadcrumbs** and **remaining barbecue seasoning** in a separate shallow bowl. Season the **chicken** with **salt and pepper**. Dust the chicken in the cornflour, shake off the excess, then dip in the **buttermilk** and coat in the **breadcrumb mixture**.

4. Cook chicken

Heat **2 tbs olive oil** in a large frypan over medium-high heat. Cook the **chicken** for 2-3 mins each side until golden and cooked through. Remove from the pan and drain on paper towel.

5. Serve up

Divide the **chicken** and **fries** among bowls. Serve with **mayonnaise** and **barbecue sauce**, if using, for dipping. Enjoy!

6. Kitchen hack

Here's an easy way to cut the potatoes into matchsticks: thinly slice lengthwise, then stack the slices and cut into matchsticks.
