2. Caramelize onion

Heat **1 tbs olive oil** in a medium frypan over medium heat. Cook the **onion**, stirring, for 5 mins or until golden. Add **½ tsp sugar** and **1 tsp red wine vinegar** and cook, stirring, for a further 5 mins or until caramelised. Remove from the pan, reserving the pan.

6. Did you know?

Haloumi is a brined, slightly springy cheese originally from Cyprus. Traditionally it was made from a mixture of goat and sheep milk, although these days cow's milk is also used. The haloumi we use is made using vegetable rennet, so it's suitable for vegetarians.
